The Sports Committee of Our Lady of Egypt Church, Kalina, will be organizing their 11th. Kalina Football League (KFL) – commencing on September 10th. 2010 and will conclude around mid-November 2010. As in the past this event will be held on the grounds of St. Mary's High School, Kalina, and will be played on all Sundays and Bank Holidays.

The money collected from sponsorships will be utilized towards the expenses to conduct these tournaments, and for the various prizes we intend to give away to the teams and deserving players. To encourage spectator involvement, there will be gifts and goodies for them too. Additionally we plan to provide Jerseys/Shorts/Stockings to each member of the teams participating. Besides each team will have their own Logo and Flag. The Ground will be well decorated on each of the playing days with different banners and flags, adding attractive color to the whole ground. This event will be well publicized through all the leading newspapers in Mumbai, and will be one of the best forms of football packaged with entertainment ever witnessed in Mumbai.

We therefore appeal to your generous support, and donate in cash or kind, and be a part of this sports loving family. Your contribution, however big or small will go a long way in promoting football in Kalina. Our estimated budget to conduct this event is approximately Rs.2,15,000/- (breakdown attached). Donations, by way of cheques must be drawn in favor of "OLEP Community Welfare Fund".

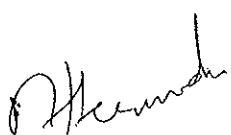

For donations of Rs. 5000/- and above , appropriate publicity will be given by way of announcements and banners located on prominent locations around the ground on all the match playing days.
